Headteacher - Mr M Boucetla

Dear Parent/Carer,

Let's Get Cooking

We are very fortunate in being able to provide every child with the opportunity to take part in a cookery session for one afternoon each half term. The sessions are organised and run by volunteers as part of the Let's Get Cooking network which aims to support healthy cooking clubs in schools.

Each term your child will prepare and make a healthy sweet or savoury dish which they will bring home. While every care is taken in school to provide healthy ingredients and a hygienic cooking environment, Let's Get Cooking and Wark C of E Primary School cannot be held responsible for the food once it has been taken off-site.

We would be very grateful if you could sign the Pupil permission Google form to acknowledge receipt of this letter and your agreement to being responsible for the food once it has left school.

Yours Sincerely,

Mr Michael Boucetla
Headteacher
