

Week One Music Tasks KS2

Talk to someone in your house about their favourite music. Why do they like it?

Teach your family to play 'Don't Clap This One Back'... Don't forget that your rhythm pattern must fit into the same gap as 'don't clap this one back!'

Dance to at least two different pieces of music. Listen and dance with the music. Is it fast or slow? Is it loud or quiet?

Research a famous composer and make a poster about them.

Watch a musical film. Some suggestions include: Mary Poppins, The Sound of Music, The Greatest Showman, Mulan, Moana, Shrek

Write down some rhythms and clap them back.
