

Music Tasks KS2 Week 2

Listen to some music while lying down with your eyes closed

Follow the link for Out of the Ark and sing along to at least two songs

Write out 6 bars of music using the time signature of your choice. Use a mixture of notes and rests and make sure that each bar adds up to the top number of the key signature.

Watch and join in with Mrs Armstrong's music lesson online

Practise saying, and remembering, the names of the notes: semibreve, minim, crotchet, quaver, semiquaver. Draw them, and write the names next to them.
