

WARK C OF E PRIMARY SCHOOL NEWS

Friday 9th October 2020

Monday 5th of October was national 'teacher appreciation day'. I would just like to say another big thank you to all staff in school for their hard work and effort. The children are always so happy and active in class. You are brilliant!

Warksburn

Years 4, 5 and 6 had a lovely afternoon out on Wednesday, investigating Warksburn. There were some lovely finds, including; freshwater shrimps, stone clingers and stone loach.

Spellings

Please remember that children are learning spellings to use in their work, not just to pass a weekly test. Children that practice for 5 minutes each day learn (and remember) spelling far better than those who practise for 30 minutes on the night before a test.

Packed Lunches

Please don't send drinks in with packed lunches. There are jugs of water and cups on tables for all children. There is also a document with some

suggestions for how to vary what your child has each day, on the school website.

Pick-up times

After the October holiday, we will be altering the collection times at the end of the school day. Getting children out of school has been much quicker than expected. All times will be moved back by 10 minutes. EYFS children (including siblings) and buses will now be 15.10. The rest of the school will be 15.15

Flu immunisation letters

Any parents that received letters directly from the immunisation team must send them in on Tuesday as there is a barcode that the nurses will need to scan before your child can receive the nasal spray.

Let's get cooking

The let's get cooking club are planning to send Christmas cake ingredients and recipes home with all students in year 3-6. This will be just after half term.

100 Club

Please could all entries be confirmed by the 15th October so we can sort out prize money for the October draw.

Harvest collection

Please can you send any tins or dried food into school over the next week. Mrs Abrams will be taking any items to food banks and soup kitchens.

Best wishes from everyone at Wark C of E Primary School
