

Wark C of E First School Sports Premium Information 2017/18

The Government is providing £150 million per year, directly to schools to spend on improving the quality of sport and PE for all their children. The funding is ring-fenced and can be spent only on PE and sport provision in schools. Each school receives a lump sum of £16000 plus a premium of £10 per pupil for those children in Years 1-4. At Wark C of E First School we received **£16300 in 2017/18**.

Sports Premium Expenditure and Impact in 2017/18

This will be reviewed termly to address additional needs and extra-curricular enhancements where required.

We received a gold sports mark again in 2016/17 and aim to achieve this again this year.

High Quality Physical and Outdoor Education for All

Use of Funding	The impact on Pupils
To improve the confidence of staff in using core tasks to deliver the new primary PE National Curriculum.	All pupils will access a broad, balanced curriculum which is focussed on developing physical literacy
To support class teachers with planning and delivering high quality lessons and schemes of work.	Children will have improved physical skills in games, gymnastics, dance and athletics.
To develop leadership skills in our older pupils with School sports reps, PE equipment purchased and School Council playground leaders	Leaders report increased confidence and improved organisational and communication skills.
To use PE and school sport to contribute to whole school improvement. Mainly focussed on PSE and problem Solving.	More children will choose to adopt a healthy, active lifestyle. As well as developing the ability to work together to solve problems.
To provide safe, varied and innovative equipment to support all children's learning in a wide range of activities.	More children will have improved physical skills in games, gymnastics, dance and athletics

Competitive School Sport

Use of Funding	The impact on Pupils
To enable pupils to compete against other schools	More children are part of successful competitive teams in years 2,3 and 4
To provide talented pupils with coaching – gymnastics, football and netball	Access to inter school competitions
To provide extra-curricular coaching – football, netball	Increased staffing capacity More children are engaged in competition
To develop intra-school competition	More children are engaged in competition in all years
